

17 July 1950

MEMORANDUM FOR: The Executive, CIA.

SUBJECT: Delegation of Authority

1. The consolidation of the Passenger Section, Transportation Branch, Procurement and Supply Division, SSS, with the Overseas Branch, Employees Division, SSS, will be made effective as of 17 July 1950. In addition, the Overseas Branch will assume certain functions and responsibilities pertaining to the movement of personal effects, household goods and personally owned automobiles, which are presently performed by the Freight Section.

2. Some of the functions of the Overseas Branch relate to the approval of accounts and vouchers regarding the movement of effects and personnel. At the present time the Acting Chief, Procurement and Supply Division, SSS, and the Chief, SSS, have the Delegation of Authority to approve and certify the accounts of such vouchers as well as the vouchers pertaining to the movements of supplies.

25X1A 3. For the sake of efficiency and expediency, it is requested, that [redacted] specific authority for the approval of accounts and vouchers pertaining to the transportation of personal effects, household goods, privately owned vehicles, and the transportation of employees and dependents be delegated to the Chief, Employees Division, SSS, and the Chief, Overseas Branch, Employees Division, SSS.
